

*In Loving Memory of  
Mrs. Martha Enih  
Anjih (Abot)*

*Sept. 8, 1938 - Dec. 26, 2020*

**BIOGRAPHY**

Mrs. Martha Enih Anjih or Abot was a very warm, nurturing, caring and loving mother, grandmother and great grandmother, who always welcomed everyone that came into her world. She was an inspiration to a generation of family members, extended family members and many friends from Cameroon to the United States and across the globe. She was born in Guneku Mbengwi village in Momo Division in the North West province of Cameroon. She lived in Cameroon for many years taking care of her loved ones in Guneku village until she moved to Boston, Massachusetts with her daughter Susan in the mid 1990s. She later moved to Stoughton, Massachusetts in 1997. She spent the past decades in Stoughton being a loving, caring and supportive person to her family and friends across the United States. She will be missed by so many loved ones all over the world. She is survived by 9 children, over 40 grand children and over 20 great grandchildren

Safety measures for COVID-19 prevention will be followed at all times including strict face mask use, social distancing and hand hygiene precautions. Please visit the CDC website for more information on how to protect yourself.

<https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/prevention.html>

### **Funeral home drive-through visitors**

- All friends of the family and colleagues planning a drive-through visit, will be offered prepackaged food and beverage outside of the funeral home which will be hand delivered by a volunteer. Guests are also welcomed to take pictures outside in front of the memorial banner.
- Due to COVID-19 safety measures, only family members will be allowed inside the funeral home for the viewing.

### **Guests from out-of-state**

- Please visit the CDC website for guidance about traveling and high risk groups at:  
<https://www.cdc.gov/coronavirus/2019-ncov/travelers/travel-during-covid19.html>
- Please visit the Massachusetts Health Department website for quarantine and testing requirements for all travelers at <https://www.mass.gov/info-details/covid-19-travel-order>. Massachusetts requires a negative COVID-19 test for all travelers within 72 hours prior to arrival or a quarantine for a minimum of 10 days.
- You can contact your local Health Department or visit this link for a list of testing sites by U.S states  
<https://www.hhs.gov/coronavirus/community-based-testing-sites/index.html>
- We recommend all guests take advantage of the many carry-out offers at local restaurants. Prepackaged food will be offered on Saturday evening for an outdoor pick-up only. For more information please contact us.
- Lodging options are available locally. Please visit the memorial website or contact us for hotel assistance.
